You will by this time have received the letter from Mr. [redacted] explaining that there is no present opportunity to use your services in his area of interest. Since then your documents have been reviewed by several other offices here that we felt might be interested, but I am sorry to have to report that no suitable vacancies exist at this time. You may be sure, however, that your file will be active and available to us if the proper opening should occur.

We are most appreciative of your interest in the Agency and we thank you for your understanding and patience during the period of review.

Very sincerely yours,
